

PARAG WORLDWIDE PVT. LTD.
520 Kalbadevi Road, Mumbai-400002.
022-22033405/6/7/8/9

Introduction:

Essentially an energy saving solution provider, Parag Worldwide Private Limited is a merger of three companies established since 1983 and incorporated in 2003.

Founder:

K. D. Jhaveri (An Octogenarian with experience of almost seven decades in energy industry).

Directors:

Ravi Jhaveri, Parag Jhaveri

Address:

520, Kalbadevi Road, Mumbai 400 002, India.

Branches:

Mumbai & Bhiwandi, India

Factories: Approximate twenty vendor units across India.

Vision:

To become the largest solution provider for reactive power compensation and keep innovating in lighting.

Motto:

Energy saving for one and for all and making India no less than a developed nation with surplus power.

Strength:

9 permanent and 12 helping hands.

Business:

Family run with professionalism.

Area of operations:

Space is the limit, at present serving Asia, Africa & Middle East.

Products enlisted:

Lighting sector:

LED and conventional lighting (Indoor/Outdoor) with accessories such as S. M. P. S. etc.,

Appliances sector (Motors, Air-conditioners, Washing machines etc.):

Motor Run capacitors, Motor Start capacitors, Aircon & Washer capacitors, U.P.S. capacitors.
